

PRESS RELEASE**HRSA Partners with L.A.C. Corporate Suppliers to Enhance Competitor Branding**

Historic Racing South Africa (HRSA) is excited to welcome L.A.C. Corporate Suppliers as a new sponsor and official branding partner.

L.A.C. Corporate Suppliers have already made an immediate impact by providing **high-quality embroidered name tags for HRSA competitors' race suits**, adding a professional and personalised touch to our grid.

Beyond this contribution, L.A.C. Corporate Suppliers offer a **comprehensive, end-to-end branding solution**, with all services completed in-house. Their capabilities include:

Branding & Production Services

- Embroidery
- Silk-screening

HISTORIC RACING SOUTH AFRICA

www.historicracing.co.za

- Pad printing
- Dye sublimation (flags, gazebos, apparel, and more)
- Large-format printing (banners, stickers, vehicle decals, vinyl prints)

Manufacturing & Customisation

- Full sewing team (CMT work)
- Laser engraving (metal, aluminium, wood, plastic)
- Laser cutting (wood and Perspex)

PPE & Workwear Supply

L.A.C. Corporate Suppliers also provide a full range of Personal Protective Equipment, including leading brands such as:

- Jonsson Workwear
- Dromex
- Kaliber Footwear
- Neptun Gumboots

What sets L.A.C. apart is their ability to handle **every aspect of branding under one roof**, ensuring quality control, fast turnaround times, and tailored solutions for clients across industries—including motorsport.

An HRSA representative commented:

“L.A.C. Corporate Suppliers bring a level of professionalism and capability that aligns perfectly with our vision for the sport. Their work enhances the visual identity of our competitors and elevates the overall presentation of HRSA.”

This partnership reinforces HRSA’s ongoing mission to **improve the competitor experience while maintaining a polished, professional image both on and off the track.**
